care · REFUGEES IN CRISIS

HELP CARE RESPOND AND SAVE LIVES

More than 4 million refugees have fled the ongoing Syrian conflict, with 7.5 million others displaced internally - the highest number of refugees in a single crisis in over 25 years.

CARE has already reached over one million of those impacted in Jordan, Lebanon, Turkey, Egypt, Yemen, and inside Syria.

For over six decades, CARE has been providing emergency aid in times of crisis. Your gift today will help us continue to provide relief to those affected by this crisis and others in the poorest countries around the world.

Mission Statement

CARE is a leading humanitarian organization fighting global poverty. Through our community-based efforts focused on empowering women, we work to improve basic education, prevent the spread of disease, increase access to clean water and sanitation, expand economic opportunity and protect natural resources.
